# PONSHOP

## About the Gallery

PONSHOP is a multifaceted storefront: an artist studio, gallery, retail store, and classroom. The vision of the owners, Gabriel Pons and Scarlett Suhy-Pons, is to provide a place that embodies what they love: art, design, and creative education. The gallery features a variety of work from artists in the Fredericksburg, Virginia region. Their studio also doubles as a classroom, providing workshops for students interested in everything from painting, ceramics, and architecture to street art and skateboarding. PONSHOP is excited to be hosting its tenth community exhibition featuring the region's talent.

## Eligibility

This exhibit is open to all artists (professional and emerging) in the Virginia/DC/Maryland Region.

## Submission Requirements

All artists must use the pre-mounted vinyl albums that we provide and all work must be for sale. **Submit Your Best Work!** The gallery reserves the right to reject artwork based on quality: uniqueness and creativity, craftsmanship, and execution. Entries must be original creations of the artist – no reproductions of others artwork.
